

FALL EDITION | 2011

MARTINSBURG IDIQ

EBA receives first three tasks on a new IDIQ with the Department of Veterans Affairs Medical Center in Martinsburg, West Virginia: Building 308B Addition, Elevator and Elevator Lobby Upgrades in multiple buildings, and Interior Renovations for Personal Identity Verification, Payroll and Police Department. Look for more details in future editions.

VISN 1

The Department of Veterans Affairs has selected EBA to perform a major facility master plan study in New England. The study includes an assessment and analysis of eleven major medical center campuses. Five of the campuses will be developed as a complete master plan. Additional services include physical condition assessments, functional assessment, market analysis, scheduling, and cost projections. This project will become a template for the VA to utilize throughout the United States.

EBA WINS AWARD

On June 29, 2011, EBA was honored as a recipient of the Greater Silver Spring Chamber of Commerce's 2011 Enterprising Entrepreneurs Award. This award honors those businesses that have grown despite economic challenges and still managed to give back to the community. Read the Article Online!

NEW ADDITION

EBA is pleased to announce that Marcie Zampini has joined our team as Assistant for Administration, Marketing, and Graphics. She recently graduated cum laude from Bethany College in West Virginia, and will be assisting EBA's marketing efforts. Welcome, Marcie!
