Sligo Avenue is Adopted

From Left: Marcie Bartlett, Darryl White, Ernest Bland, Vanessa Zawodny, Irshad Saleji, Carla Billingslea, and Edison Ramos

EBA is proud to announce its commitment to the local community and their green initiative through Montgomery County's Adopt A Road program. EBA has adopted the mile long stretch of Sligo Avenue beginning at Georgia Avenue and ending at Piney Branch Road. EBA has begun to dedicate manpower to keeping Sligo Avenue beautiful. The Adopt A Road program is part of the Keep Montgomery County Beautiful initiative and EBA is excited to be given the honor to participate in the program. As many of our friends know, EBA is located on Sligo Avenue, so it seemed like a natural fit to participate in this wonderful program. For more information on the Keep Montgomery County Beautiful program, please go to their website. <http://www.montgomerycountymd.gov/dot-dir/kmcb/index.html>

Our next clean-up will be Oct. 29, 2013 from 3pm-5pm. We provide refreshments and treats! Email Marcie Bartlett at mbartlett@ebapc.com or call (301) 589-4811 for more information.

Towson University's Smith Hall Expansion

Smith Hall Entrance, Towson University Campus

EBA is a part of the design team selected for the renovation of Smith Hall at Towson University. Towson University, located in Towson, MD, is the second-largest public institution in the University System of Maryland and a nationally recognized school. EBA is providing pre-design, schematic, design development, and construction documents phase services for the major design effort in accordance with the client's specifications. Cannon Design is the prime on the project and EBA is assisting to promote a team-focused, collaborative and discovery-based learning environment. *Photo credit: © Kanji Takeno, Towson University Photographic Services.*

Tennis Anyone?

Tennis Court, Stock Photo

EBA is performing planning & design services for a new outdoor tennis facility at Salisbury University in Salisbury, MD. The new facility features a masonry facade, an open upper level, observation area, score keeping station, storage, breezeways, an arcade, and restrooms. Alpha Corporation is the prime for the project which includes new parking for patrons and 10 new courts. The project will maximize parking for the area, and include safety and security features for students on campus, as well as provide bleachers for viewing events, and afford improved landscaping for the campus area.

25 EBA Ernest Bland Associates, P.C. will celebrate its 25th Anniversary this year! Please look for our Winter Newsletter for photos and stories from our celebration at Fillmore Silver Spring.
