Out To Bid

Marion VA Medical Center Mental Health Facility Rendering

EBA is proud to announce that the Mental Health Facility at the Marion VA Medical Center (VAMC) is now out to bid. EBA provided A/E design services for the new, two-story outpatient Mental Health Facility at the Marion VA Medical Center located in Marion, IL. The design objective was to consolidate onsite and offsite outpatient mental health programs in a new 28,000 SF facility. EBA created a visible presence on the Medical Center Campus that makes a statement regarding the importance of Veterans' Mental Health, while meeting the needs of the patients and staff it supports. The Race to End Poverty

EBA 4K Team Participants Top from Left: Patricia Billingslea, Robert Holden, Julie Bland, Ernest Bland, Brittnay Bailey Bottom from Left: Carla Billingslea, Vanessa Zawodny

EBA employees and family members gathered on April 27, 2013 in Chevy Chase, MD to participate in A Wider Circle's Race to End Poverty fundraiser. The EBA walk/run Team completed the 4K with enough time to spare for a little out-side-of-the-office socializing. Last year, A Wider Circle, a Montgomery County 501(c)(3) charitable non-profit organization, was able to provide basic need items to 16,000+ homes in Montgomery County, and provide those in need with basic job training through their Center for Professional Development. Please see more information at www.awidercircle.org.

Let Them Play Ball

TPSS Spring 2013 Game

Again this year, EBA sponsored a TPSS youth baseball team to provide the children with uniforms, equipment and a place to play here in Montgomery County. EBA supports the TPSS Youth Baseball and Softball League philosophy of providing children a safe place to play outside and learn more than just baseball. For a schedule of the league games or information on becoming a sponsor, please go to www.tpssbaseball.org.

EBA's Newest Team Member

Ms. Brittnay Bailey

EBA is happy to announce our newest member to the EBA Team, Ms. Brittnay Bailey, as a LEED AP BD&C certified Project Architect. Ms. Bailey graduated cum laude in 2005 from Washington University, and brings eight years of experience to the EBA Team. Her previous experience includes mixed-use and adaptive re-use developments for multi-unit residential and hospitality industries. A big welcome to Ms. Bailey!
